

Digital Diplomacy: Create Graphics & Social Media Videos for European Audiences

Project Title	Digital Diplomacy: Create Graphics & Social Media Videos for European Audiences
Project Summary	Help USNATO create exciting, original content on the transatlantic partnership, ongoing exercises, and more!
Country	Belgium
Agency	Department of State
DoS Office	N/A
Post	USNATO
Section	PAS
Number of Interns	2

Project Description

Are you a graphic design guru who wants to be at the forefront U.S. of foreign policy? A savvy social media user looking to experience digital diplomacy firsthand? Join USNATO's digital team as a virtual intern! We seek your help in creating graphics and videos to convey complicated issues to a diverse audience in an easy-to-understand way.

What should you have? An interest in foreign affairs and the military, with an eye for design.

What will you do? Aid the USNATO digital team by creating interesting graphics, infographics, and short social media videos; help maintain and improve the USNATO brand; other duties as assigned.
